REMARKS

Reconsideration of the present claims, in light of the above claim clarifications and the Remarks which follow, is respectfully requested.

The claim now before the Examiner is 13, all other claims having been previously or currently cancelled.

The numbering in this response will follow that of the Examiner's Action.

1. No response necessary.
2. Concurrently with this response, an Information Disclosure Statement is being submitted with a clean copy of the reference previously submitted that was wholly or partially unreadable. Because this document and those submitted earlier (July 22, 2003) were in support of the Applicants' position on "cyclopentadienyl-type" language, Applicants request consideration of the document only in the context of explanation of the "cyclopentadienyl-type" language.
